PRODUCT DESCRIPTION

GERANIUM BOURBON OIL

Madagascar Geranium Bourbon Oil, steam-distilled from Pelargonium graveolens, offers a rich rosy-floral aroma with subtle fruity and minty notes. Its high-ester Bourbon chemotype provides a fuller top note than Egyptian types. With >20% β-Citronellol and up to 19% Geraniol, it delivers excellent tenacity and is used for perfumery, skincare, and aromatherapy.

SHELF LIFE

The shelf life of Geranium Oil is typically 2 to 3 years when stored in a cool, dark place in a tightly sealed, airtight container away from heat and sunlight.

PRODUCT SPECIFICATIONS

PRODUCT PROCESSING STEAM DISTILLATION OF WASHED AND DRIED LEAVES

USES

Geranium Bourbon Oil is widely used in fine perfumery as a heart note to recreate rose accords or enhance chypre and fougère blends. In skincare, it helps balance sebum and supports oily, acne-prone, and mature skin due to its astringent and antiseptic properties. In aromatherapy, it is valued for relieving stress and hormonal imbalances, while its natural geraniol and citronellol content offers antimicrobial benefits for cosmetic preservation and acts as a natural insect repellent, often blended with lemongrass or citronella.

SENSORY PROPERTIES

APPEARANCE Pale yellow to Greenish-yellow

CONSISTENCY Mobile liquid

AROMA Sweet, rosy, floral, slightly herbaceous

ALLERGEN STATEMENT

May naturally contain trace amounts of EU-listed fragrance allergens (e.g., citronellol, geraniol, linalool)

PHYSICAL-CHEMICAL PROPERTIES

CITRONELLOL % 20% - 50%

GERANIOL % 20% - 50%

CITRONELLYL FORMATE % 10% - 20%

SPECIFIC GRAVITY @20° C 0.883 - 0.905

FLASH POINT 79° C

ADULTERATION

Oil is tested for adulteration to ensure its authenticity and compliance with the quality standards set by the importing country.

MICROBIAL PARAMETERS

TOTAL PLATE COUNT (TPC) 10^3 CFU/g

YEAST AND MOLD COUNT 10^2 CFU/g

SALMONELLA Absent in 25g

E.Coli. Absent in 1g

PACKAGING

Packed in 5, 10 and 20 Kg plastic drums

STORAGE

Store in a cool, dark place, in a tightly sealed, airtight container, away from heat, light, and moisture to maintain its aroma and therapeutic properties.

GM DECLARATION

To the best of our knowledge this product is non-GM and does not contain GM processing agents. This has been verified by traceability/identity preservation systems including adequate separation.
